

Teenagers Invited To Dance

The Torrance Police Officers' Association will sponsor a free dance for teenagers Saturday evening at the Grand Theater in downtown Torrance.

The dance is given to show appreciation to local teenagers for their conduct and attendance at the weekly dances during the past year.

"The Symbols of Tyme," a band composed of Torrance High School students, will furnish music for dancing until 11:45 p.m.

To be admitted, boys must wear ties and girls must wear skirts, a spokesman for the sponsors said.

Accordion Concert Planned

Accordionist Anthony Gallarini will present a concert by local youngsters tomorrow evening at 7 at the Music Hall, 1215 Crenshaw Blvd.

Youngsters who will participate in the concert will include Janice and Edward Thomas, Ray Kitzman, Ken Brown, Mary Riskus, Debbie Curtis, Susan and Jurrrie Imol, Steve Carreta, Steve Bardin, Jennie Masai, Lennie Takahashi, Anna Geyer, and Doug Lane.

Also appearing will be Tim Spinney, Michael Whiting, Susan Klinicke, Anthony and Stephone Knodle, Shiela Holick, and Norman Browley.

Two Injured When Car Rams Signal

Two accident victims were rushed to Harbor General Hospital at 2 p.m. Monday after the car in which they were riding rammied into a traffic signal control on the northwest corner of Sepulveda and Western.

The driver was identified as Geraldine Krepeck, 1306 Palos Verdes Blvd., Redondo Beach, who apparently fell asleep at the wheel, Torrance police said.

Miss Krepeck suffered an open fracture to her right leg, a possibly fractured left leg, and multiple abrasions. Her passenger, Robert Lee Ruff of Springfield, Mo., suffered a possible broke leg and bruises.

Recreation Group Gives Two Awards

The Torrance Junior Woman's Club and a secretary for the city's Recreation Department have received special awards from the California Parks and Recreation Society for their contributions to recreation programs.

The secretary is Sue Amys, who was honored for her service as secretary of the society's membership and hospitality committee.

The Junior Woman's Club was honored for its numerous services to recreation programs in the community, including the contribution of more than \$1,000 to finance the Happy Wanderer puppet program.

Plans for New Roads Approved

Plans for streets which will serve two housing tracts in the Carson-Dominguez area have been approved, according to Supervisor Burton W. Chace.

The streets and sidewalks, to be constructed by the developers of the two tracts, will cost \$74,700. They will serve 34 homesites near Vermont and 228th Street and 54 new homes near Del Amo Boulevard and Central Avenue.

"The road improvements will be under the supervision of the County Road Department," Chace said. "Approval of plans by supervisors provides for development of a uniform and integrated road system."
